JRC

A POSITIVE ACTION, ACHIEVABLE AND ESSENTIAL

La sostenibilità è un elemento essenziale della visione strategica di JRC finalizzata alla creazione di valore per tutti gli stakeholders.

In un contesto in cui le aziende sono sempre più consapevoli dell'impatto ambientale e sociale delle proprie attività, la sostenibilità assume un ruolo centrale nell'evoluzione e nell'innovazione dei processi produttivi.

James Ross Collection ha concretizzato il proprio impegno attraverso la redazione del bilancio di sostenibilità. Questo documento, messo a disposizione dei propri stakeholders, rappresenta un importante strumento di trasparenza, volto a illustrare l'impegno dell'azienda sui temi della sostenibilità e della responsabilità sociale.
